

APPLICATION FOR STORMWATER MANAGEMENT/WATER QUALITY PERMIT

Title 4, Subtitle 2, Environment Article, Annotated Code of Maryland and Chapter 214, Article 2, Harford County Code, requires that provisions to control stormwater management shall be included for all applicable land disturbances. As required by state law, grading permits cannot be issued until such practices and provisions are approved. The above-referenced laws, any corresponding rules and regulations and all requirements contained therein are incorporated in this application/permit as if fully set out herein.

Stormwater Management approval is requested on the following property:

Quantity Management \_\_\_\_\_ Quality Management \_\_\_\_\_ Both \_\_\_\_\_

Is any work proposed to be done in any flood plain, waterway or wetland? \_\_\_\_ If yes, you may be required to obtain a permit through the Maryland Department of the Environment. Please contact the Maryland Water Management Administration, 1800 Washington Blvd, Baltimore, MD 21230

Approved estimated construction cost of facility \$ \_\_\_\_\_

**BOND REQUIREMENT:** Owner/Applicant shall post security with the County in a sum sufficient to cover the appropriate construction costs. Said security may be demanded by the County in the event Owner/Applicant, or Owner/Applicant's Surety, does not comply with the terms and conditions of the Permit, and the County completes any or all remaining work under the Permit. Said security may include a bond from Owner/Applicant's Surety, a letter of credit from Owner/Applicant's Surety or cash from the Owner/Applicant.

Bond Amount: \$ \_\_\_\_\_

**VIOLATIONS**

Construction required by the Permit must be completed on or before the expiration date of the Permit. If the construction required by the Permit is not completed prior to expiration, the Director of the Department of Public Works (the"Director") may, in his or her discretion, declare that the Owner/Applicant is in default of the Permit. Whenever Owner/Applicant shall be declared by the Director to be in default under the Permit, the Owner/Applicant and/or Owner/Applicant's Surety may, within fifteen (15) days after notice of default from the Director, notify the Director of its election to either promptly proceed to remedy the default or promptly proceed to complete the Permit in accordance with and subject to its terms and conditions. In the event the Owner/Applicant's Surety, if applicable, does not comply with either of the above-stated options, then the Director, in the Director's discretion, shall be allowed to enter upon the subject property and have any and/or all remaining work under the permit completed, Owner/Applicant and/or Owner/Applicant's Surety to remain liable hereunder for all expenses of completion up to the sum being retained by the County as security. Owner/Applicant's Surety or Owner/Applicant, when applicable, will immediately forfeit and pay to the County all or part of the secured sum, as demanded by the Director. In the event the Director has any or all remaining work completed under the Agreement and the expenses of completion exceed the amount of the secured sum, the Owner/Applicant shall remain liable to the County for any and all expenses exceeding the secured sum and indemnify and save the County harmless from any and all claims for damages to persons or property arising from the acts or omissions of the Owner/Applicant. The expenses incurred by the County exceeding the secured sum shall be a lien upon all property and all rights to the property, real or personal, of any person liable to pay the same from and after the time said cost is due and payable. The cost shall be listed on the tax bill and shall be collected in the manner of ordinary taxes, plus interest.

**CERTIFICATION**

I (we) certify that I (we) have the authority to make the foregoing application, that the information above is correct and that I (we) shall meet all the requirements and conditions of a permit issued pursuant to this application. I (we) hereby agree to pay all fees incurred by Harford County for all technical and engineering review staff time and any inspections required for the above-referenced project.
